FINRA Manual Rule 1240

1240. Continuing Education Requirements

Effective: March 14, 2023

This Rule prescribes requirements regarding the continuing education of registered persons. The requirements shall consist of a Regulatory Element and a Firm Element as set forth below. This Rule also sets forth continuing education programs through which specified persons may maintain their qualification in a representative or principal registration category following the termination of that registration category.

(a) Regulatory Element

(1) Requirements

All covered persons shall comply with the requirement to complete the Regulatory Element.

Each covered person registered with FINRA in a representative or principal registration category immediately preceding January 1, 2023 shall complete the Regulatory Element for the registration category annually by December 31 of 2023 and by December 31 of every year thereafter in which the person remains registered, or as otherwise prescribed by FINRA. Each covered person registering with FINRA in a representative or principal registration category for the first time on or after January 1, 2023 shall complete the Regulatory Element for the registration category annually by December 31 of the subsequent calendar year following the calendar year in which the person becomes registered and by December 31 of every year thereafter in which the person remains registered, or as otherwise prescribed by FINRA. Nothing in this paragraph (a)(1) shall prohibit a member from requiring its covered persons to complete their Regulatory Element for their registration categories at any time during the calendar year. The content of the Regulatory Element shall be appropriate to each representative or principal registration category. A covered person shall complete Regulatory Element content for each registration category that he or she holds. The content of the Regulatory Element for a covered person designated as eligible for a waiver pursuant to Rule 1210.09 shall be determined based on the person's most recent registration(s), and the Regulatory Element shall be completed based on the same annual cycle had the person remained registered.

(2) Failure to Complete

Unless otherwise determined by FINRA, as provided in this paragraph (a)(2), any covered person, other than a covered person designated as eligible for a waiver pursuant to Rule 1210.09, who has not completed the Regulatory Element within the prescribed calendar year in which the Regulatory Element is due will have his or her registration(s) deemed inactive until such time as he or she completes all required Regulatory Element, including any Regulatory Element that becomes due while his or her registration(s) is deemed inactive. Any covered person, other than a covered person designated as eligible for a waiver pursuant to Rule 1210.09, whose registration(s) has been deemed inactive under this paragraph (a)(2) shall cease all activities as a registered person and is prohibited from performing any duties and functioning in any capacity

requiring registration. Further, such covered person may not accept or solicit business or receive any compensation for the purchase or sale of securities. However, such covered person may receive trail or residual commissions resulting from transactions completed before the inactive status, unless the member with which such covered person is associated has a policy prohibiting such trail or residual commissions. A registration that remains inactive for a period of two consecutive years will be administratively terminated by FINRA. A person whose registration(s) is so terminated or who otherwise fails to complete required Regulatory Element for two consecutive years may reactivate the registration(s) only by reapplying for registration and meeting the qualification requirements of the applicable provisions of Rules 1210 and 1220. The two-year period under this paragraph (a)(2) is calculated from the date a person's registration(s) is deemed inactive. If a covered person designated as eligible for a waiver pursuant to Rule 1210.09 fails to complete the Regulatory Element within the prescribed time frames, the person shall no longer be eligible for such a waiver. FINRA may, upon written application, with supporting documentation, and a showing of good cause, allow for additional time for a covered person to satisfy the Regulatory Element requirements.

(3) Disciplinary Actions

A covered person, other than a covered person designated as eligible for a waiver pursuant to Rule 1210.09 may be required to complete assigned continuing education as prescribed by FINRA, in the event such person:

(A) is subject to any statutory disqualification as defined in Section 3(a)(39) of the Exchange Act;

(B) is subject to suspension or to the imposition of a fine of \$5,000 or more for violation of any provision of any securities law or regulation, or any agreement with or rule or standard of conduct of any securities governmental agency, securities self-regulatory organization, or as imposed by any such regulatory or self-regulatory organization in connection with a disciplinary proceeding; or

(C) is ordered as a sanction in a disciplinary action to complete continuing education by any securities governmental agency or self-regulatory organization.

Such covered person must complete any continuing education required under this paragraph (a)(3) within 120 days of the covered person becoming subject to the statutory disqualification, in the case of (A) above, or the disciplinary action becoming final, in the case of (B) and (C) above.

(4) Reregistration

Any covered person who reregisters with FINRA in a representative or principal registration category shall complete the Regulatory Element content for the registration category annually by December 31 of the subsequent calendar year following the calendar year in which the person becomes reregistered and by December 31 of every year thereafter in which the person remains registered, or as otherwise prescribed by FINRA, provided that he or she has already completed Regulatory Element content for that registration category for the calendar year in which he or she is reregistering, he or she is reregistering by having passed an examination for that registration category or he or she is reregistering by having obtained an unconditional examination waiver for that registration category.

Any covered person who is reregistering with FINRA in a representative or principal registration category without having completed any Regulatory Element content for that registration category for the calendar year in which he or she is reregistering or without having passed an examination for that registration category or without having obtained an unconditional examination waiver for that registration category shall complete the Regulatory Element content for that

registration category annually by December 31 of the calendar year in which he or she reregisters and by December 31 of every year thereafter in which he or she remains registered, or as otherwise prescribed by FINRA.

If a covered person has not completed any Regulatory Element content for a registration category in the calendar year(s) prior to reregistering, FINRA would not approve a registration request for that category until he or she completes that Regulatory Element content or he or she passes an examination for that registration category or he or she obtains an unconditional examination waiver for that registration category, whichever is applicable.

Nothing in this paragraph (a)(4) shall prohibit a member from requiring covered persons, other than a covered person designated as eligible for a waiver pursuant to Rule 1210.09, to complete their Regulatory Element for their registration categories at any time during the calendar year.

(5) Definition of Covered Person

For purposes of this Rule, the term "covered person" means any person registered, or registering, with FINRA as a representative or principal as specified in Rule 1220, including any person who is permissively registered as such pursuant to Rule 1210.02, and any person who is designated as eligible for a waiver pursuant to Rule 1210.09.

(6) Delivery of the Regulatory Element

The Regulatory Element shall be administered through Web-based delivery or such other technological manner and format as specified by FINRA.

(7) Regulatory Element Contact Person

Each member shall designate and identify to FINRA (by name and e-mail address) an individual or individuals responsible for receiving e-mail notifications regarding a covered person's completion of his or her Regulatory Element. Each member shall identify, review, and, if necessary, update the information regarding its Regulatory Element contact person(s) in the manner prescribed by Rule 4517.

At a minimum, each member shall at least annually evaluate and prioritize its training needs and develop a written training plan. The plan must take into consideration the member's size, organizational structure, and scope of business activities, as well as regulatory developments and the performance

of registered persons in the Regulatory Element. If a member's analysis establishes the need for supervisory training for persons with supervisory responsibilities, such training must be included in the member's training plan.

(B) Minimum Standards for Training Programs -- Programs used to implement a member's training plan must be appropriate for the business of the member and, at a minimum must cover training topics related to the role, activities or responsibilities of the registered person and to professional responsibility.

(3) Participation in the Firm Element

Registered persons of a member must take all appropriate and reasonable steps to participate in continuing education programs under this paragraph (b) as required by the member.

(4) Specific Training Requirements

FINRA may require a member, individually or as part of a larger group, to provide specific training to its registered persons in such areas as FINRA deems appropriate. Such a requirement may stipulate the class of registered persons for which it is applicable, the time period in which the requirement must be satisfied and, where appropriate, the actual training content.

(c) Continuing Education Program for Persons Maintaining Their Qualification Following the Termination of a Registration Category

A person who terminates any of his or her representative or principal registration categories with FINRA may maintain his or her qualification for any of the terminated registration categories for a period of five years following the termination of the registration category, subject to the following conditions:

most recently completed fiscal year. An issuer that is an emerging growth company as of the first day of that fiscal year shall continue to be deemed an emerging growth company until the earliest of--

(B) the last day of the fiscal year of the issuer following the fifth anniversary of the date of the first sale of common equity securities of the issuer pursuant to an effective registration statement under the Securities Act of 1933;

(c) Application to governmental departments or agencies

No provision of this chapter shall apply to, or be deemed to include, any executive department or independent establishment of the United States, or any lending agency which is wholly owned, directly or indirectly, by the United States, or any officer, agent, or employee of any such department, establishment, or agency, acting in the course of his official duty as such, unless such provision makes specific reference to such department, establishment, or agency.

Notwithstanding any other provision of this chapter, but subject to paragraph (2) of this subsection, a charitable organization, as defined in section 3(c)(10)(D) of the Investment Company Act of 1940, or any trustee, director, officer, employee, or volunteer of such a charitable organization acting within the scope of such person's employment or duties with such organization, shall not be deemed to be a “broker”, “dealer”, “municipal securities broker”, “municipal securities dealer”, “government securities broker”, or “government securities dealer” for purposes of this chapter solely because such organization or person buys, holds, sells, or trades in securities for its own account in its capacity as trustee or administrator of, or otherwise on behalf of or for the account of--

(A) such a charitable organization;

(B) a fund that is excluded from the definition of an investment company under section 3(c)(10)(B) of the Investment Company Act of 1940; or

Whenever pursuant to this chapter the Commission is engaged in rulemaking, or in the review of a rule of a self-regulatory organization, and is required to consider or determine whether an action is necessary or appropriate in the public interest, the Commission shall also consider, in addition to the protection of investors, whether the action will promote efficiency, competition, and capital formation.

No church plan described in [section 414\(e\) of Title 26](#), no person or entity eligible to establish and maintain such a plan under Title 26, no company or account that is excluded from the definition of an investment company under section 3(c)(14) of the Investment Company Act of 1940, and no trustee, director, officer or employee of or volunteer for such plan, company, account, person, or entity, acting within the scope of that person's employment or activities with respect to such plan, shall be deemed to be a “broker”, “dealer”, “municipal securities broker”, “municipal securities dealer”, “government securities broker”, “government securities dealer”, “clearing agency”, or “transfer agent” for purposes of this chapter--

(1) solely because such plan, company, person, or entity buys, holds, sells, trades in, or transfers securities or acts as an intermediary in making payments in connection with transactions in securities for its own account in its capacity as trustee or administrator of, or otherwise on behalf of, or for the account of, any church plan, company, or account that is excluded from the definition of an investment company under section 3(c)(14) of the Investment Company Act of 1940; and

(a) Client. You may deem the following to be a single client for purposes of section 202(a)(30) of the Act (15 U.S.C. 80b–2(a)(30)):

(1) A natural person, and:

(i) Any minor child of the natural person;

(ii) Any relative, spouse, spousal equivalent, or relative of the spouse or of the spousal equivalent of the natural person who has the same principal residence;

(iii) All accounts of which the natural person and/or the persons referred to in this paragraph (a)(1) are the only primary beneficiaries; and

(iv) All trusts of which the natural person and/or the persons referred to in this paragraph (a)(1) are the only primary beneficiaries;

(2)(i) A corporation, general partnership, limited partnership, limited liability company, trust (other than a trust referred to in paragraph (a)(1)(iv) of this section), or other legal organization (any of which are referred to hereinafter as a “legal organization”) to which you provide investment advice based on its investment objectives rather than the individual investment objectives of its shareholders, partners, limited partners, members, or beneficiaries (any of which are referred to hereinafter as an “owner”); and

(ii) Two or more legal organizations referred to in paragraph (a)(2)(i) of this section that have identical owners.

(b) Special rules regarding clients. For purposes of this section:

(1) You must count an owner as a client if you provide investment advisory services to the owner separate and apart from the investment advisory services you provide to the legal organization, provided, however, that the determination that an owner is a client will not affect the applicability of this section with regard to any other owner;

(2) You are not required to count an owner as a client solely because you, on behalf of the legal organization, offer, promote, or sell interests in the legal organization to the owner, or report periodically to the owners as a group solely with respect to the performance of or plans for the legal organization's assets or similar matters;

(3) A limited partnership or limited liability company is a client of any general partner, managing member or other person acting as investment adviser to the partnership or limited liability company;

(4) You are not required to count a private fund as a client if you count any investor, as that term is defined in paragraph (c)(2) of this section, in that private fund as an investor in the United States in that private fund; and

(5) You are not required to count a person as an investor, as that term is defined in paragraph (c)(2) of this section, in a private fund you advise if you count such person as a client in the United States.

Note to paragraphs (a) and (b): These paragraphs are a safe harbor and are not intended to specify the exclusive method for determining who may be deemed a single client for purposes of section 202(a)(30) of the Act (15 U.S.C. 80b–2(a)(30)).

(c) Definitions. For purposes of section 202(a)(30) of the Act (15 U.S.C. 80b–2(a)(30)):

(1) Assets under management means the regulatory assets under management as determined under Item 5.F of Form ADV (§ 279.1 of this chapter).

(2) Investor means:

(i) Any person who would be included in determining the number of beneficial owners of the outstanding securities of a private fund under section 3(c)(1) of the Investment Company Act of 1940 (15 U.S.C. 80a–3(c)(1)), or whether the outstanding securities of a private fund are owned exclusively by qualified purchasers under section 3(c)(7) of that Act (15 U.S.C. 80a–3(c)(7)); and

(ii) Any beneficial owner of any outstanding short-term paper, as defined in section 2(a)(38) of the Investment Company Act of 1940 (15 U.S.C. 80a–2(a)(38)), issued by the private fund.

Note to paragraph (c)(2): You may treat as a single investor any person who is an investor in two or more private funds you advise.

(3) In the United States means with respect to:

(i) Any client or investor, any person who is a U.S. person as defined in § 230.902(k) of this chapter, except that any discretionary account or similar account that is held for the benefit of a person in the United States by a dealer or other professional fiduciary is in the United States if the dealer or professional fiduciary is a related person, as defined in §

275.206(4)–2(d)(7), of the investment adviser relying on this section and is not organized, incorporated, or (if an individual) resident in the United States.

Note to paragraph (c)(3)(i): A person who is in the United States may be treated as not being in the United States if such person was not in the United States at the time of becoming a client or, in the case of an investor in a private fund, each time the investor acquires securities issued by the fund.

(ii) Any place of business, in the United States, as that term is defined in § 230.902(l) of this chapter; and

(iii) The public, in the United States, as that term is defined in § 230.902(l) of this chapter.

(4) Place of business has the same meaning as in § 275.222–1(a).

(5) Spousal equivalent has the same meaning as in § 275.202(a)(11)(G)–1(d)(9).

(d) Holding out. If you are relying on this section, you shall not be deemed to be holding yourself out generally to the public in the United States as an investment adviser, within the meaning of section 202(a)(30) of the Act (15 U.S.C. 80b–2(a)(30)), solely because you participate in a non-public offering in the United States of securities issued by a private fund under the Securities Act of 1933 (15 U.S.C. 77a).
