(iii) The director may by order summarily postpone or suspend registration pending final determination of any proceeding under this subsection. Upon the entry of the order, the director shall promptly notify the applicant or registrant, as well as the employer or prospective employer if the applicant or registrant is an agent or investment adviser representative, that it has been entered and of the reasons therefor and that within fifteen business days after the receipt of a written request the matter will be set down for hearing. If no hearing is requested within fifteen business days of the issuance of the order and none is ordered by the director, the order shall automatically become a final order and shall remain in effect until it is modified or vacated by the director. If a hearing is requested or ordered, the director, after notice of and opportunity for hearing, shall enter his or her written findings of fact and conclusions of law and may affirm, modify, or vacate the order. No order may be entered under this section denying or revoking registration without appropriate prior notice to the applicant or registrant, as well as the employer

or prospective employer if the applicant or registrant is an agent or investment adviser representative, and opportunity for hearing.

(10)(a) If the director finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, issuer-dealer, agent, investment adviser, or investment adviser representative, is subject to an adjudication of mental incompetence or to the control of a committee, conservator, or guardian, or cannot be located after reasonable search, the director may by order cancel the registration or application.

(b) If an applicant for registration does not complete the registration application and fails to respond to a notice or notices from the department to correct the deficiency or deficiencies for a period of one hundred twenty days or more after the date the department sends the initial notice to correct the deficiency, the department may deem the registration application as abandoned and may issue a notice of abandonment of the registration application to the applicant in lieu of proceedings to deny the application.

(c) Withdrawal from registration as a broker-dealer, issuer-dealer, agent, investment adviser, or investment adviser representative shall become effective thirty days after receipt of an application to withdraw or within a shorter period of time as the director may determine unless a revocation or suspension proceeding is pending when the application is filed or a proceeding to revoke or suspend or to impose conditions upon the withdrawal is instituted within thirty days after the application is filed. If a revocation or suspension proceeding is pending or instituted, withdrawal shall become effective at such time and upon such conditions as the director shall order.

Registration of securities; requirements; fees; effective date; reports; director, powers.

(1) A registration statement may be filed by the issuer, by any other person on whose behalf the offering is to be made, or by a registered broker-dealer. Any document filed under the Securities Act of Nebraska within five years preceding the filing of a registration statement may be incorporated by reference in the registration statement to the extent that the document is currently accurate. The director may by rule and regulation or order permit the omission of any item of information or document from any registration statement.

(2) The director may require as a condition of registration by qualification (a) that the proceeds from the sale of the registered security be impounded until the issuer receives a specified amount, (b) that the applicant comply with the Securities Act of 1933 if it appears to the director to be in the public interest or that the registered security is or will be offered in such manner as to be subject to such act, (c) such reasonable conditions, restrictions, or limitations upon the offering as may be in the public interest, or (d) that any security issued within the past three years, or to be issued, to a promoter for a consideration substantially different from the public offering price or to any person for a consideration other than cash, be delivered in escrow to him or her or to some other depository satisfactory to him or her under an escrow agreement that the owners of such securities shall not be entitled to sell or transfer such securities or to withdraw such securities from escrow until all other stockholders who have paid for their stock in cash shall have been paid a dividend or dividends aggregating not less than six percent of the initial offering price shown to the satisfaction of the director to have been actually earned on the investment in any common stock so held. The director shall not reject a depository solely because of location in another state. In case of dissolution or insolvency during the time such securities are held in escrow, the owners of such securities shall not participate in the assets until after the owners of all other securities shall have been paid in full.

(3) For the registration of securities by coordination or qualification, there shall be paid to the director a registration fee of one-tenth of one percent of the aggregate offering price of the securities which are to be offered in this state, but the fee shall in no case be less than one hundred dollars. When a registration statement is withdrawn before the effective date or a preeffective stop order is entered under section 8-1109, the director shall retain one hundred dollars of the fee. Any issuer who sells securities in this state in excess of the aggregate amount of securities registered may, at the discretion of the director and while such registration is still effective, apply to register the excess securities sold to persons within this state by paying a registration fee of three-tenths of one percent for the difference between the initial fee paid and the fee required in this subsection. Registration of the excess securities, if granted, shall be effective retroactively to the date of the existing registration.

(4) When securities are registered by coordination or qualification, they may be offered and sold by a registered broker-dealer. Every registration shall remain effective for one year or until sooner revoked by the director or sooner terminated upon request of the registrant with the consent of the director. All outstanding securities of the same class as a registered security shall be considered to be registered for the purpose of any nonissuer transaction. A registration statement which has become effective may not be withdrawn for one year from its effective date if any securities of the same class are outstanding.

(5) The director may require the person who filed the registration statement to file reports, not more often than quarterly, to keep reasonably current the information contained in the registration statement and to disclose the progress of the offering with respect to registered securities which are being offered and sold directly by or for the account of the issuer.

(6) A registration of securities shall be effective for a period of one year or such shorter period as the director may determine.

(2) Whenever it appears to the director that any person is acting as a broker-dealer, issuer-dealer, agent, investment adviser, or investment adviser representative without registration as such or acting as a federal covered adviser without making a notice filing under the act, he or she may order such person to cease and desist from such activity unless and until he or she has been registered as such or has made the required notice filing under the act.

(3) Whenever it appears to the director that any person is violating section 8-1102, he or she may order the person to cease and desist from such activity.

(4) The director may, after giving reasonable notice and an opportunity for a hearing under this section, impose a fine not to exceed twenty-five thousand dollars per violation, in addition to costs of the investigation, upon a person found to have engaged in any act or practice which would constitute a violation of the act or any rule and regulation or order under the act, except that the director shall not impose a fine upon any person in connection with a transaction made pursuant to subdivision (23) of section 8-1111 for any statement of a material fact made or for an omission of a material fact required to be stated or necessary to make the statement made not misleading unless such statement or omission was made with the intent to defraud or mislead. The fine and costs shall be in addition to all other penalties imposed by the laws of this state. The director shall

collect the fines and costs and remit them to the State Treasurer. The State Treasurer shall credit the costs to the Securities Act Cash Fund and distribute the fines in accordance with Article VII, section 5, of the Constitution of Nebraska. Imposition of any fine and payment of costs under this subsection may be appealed pursuant to section 8-1119. If a person fails to pay the fine or costs of the investigation referred to in this subsection, a lien in the amount of the fine and costs shall be imposed upon all of the assets and property of such person in this state and may be recovered by an action by the director and remitted to the State Treasurer. The State Treasurer shall credit the costs to the Securities Act Cash Fund and distribute the fines in accordance with Article VII, section 5, of the Constitution of Nebraska. Failure of the person to pay a fine and costs shall also constitute a forfeiture of his or her right to do business in this state under the Securities Act of Nebraska.

(5) After such an order has been made under subsection (1), (2), (3), or (4) of this section, if a request for a hearing is filed in writing within fifteen business days of the issuance of the order by the person to whom such order was directed, a hearing shall be held by the director within thirty business days after receipt of the request, unless both parties consent to a later date or the director or a hearing officer sets a later date for good cause. If no hearing is requested within fifteen business days of the issuance of the order and none is ordered by the director, the order shall automatically become a final order and shall remain in effect until it is modified or vacated by the director. If a hearing is requested or ordered, the director, after notice of and opportunity for hearing, shall enter his or her written findings of fact and conclusions of law and may affirm, modify, or vacate the order.

Federal covered security; filing fee; notice; open-end management company, face-amount certificate company, or unit investment trust; issue indefinite amount of securities; when.

(1) Except as provided in subsections (2) and (3) of this section, there shall be paid to the director a filing fee of one-tenth of one percent of the aggregate offering price of the federal covered securities under section 18(b)(2) of the Securities Act of 1933 which are to be offered in this state, but the filing fee shall in no case be less than one hundred dollars. If an issuer of securities covered by section 8-1108.02 sells securities in this state in excess of the aggregate amount of securities for which a filing fee has been paid, the director may allow the issuer to amend its filing to include the excess securities sold to persons within this state if the issuer pays a filing fee of three-tenths of one percent for the difference between the initial filing fee paid and the filing fee required under this section for the total amount of securities sold. Any such amendment of a filing to cover the excess securities, if granted, shall be effective retroactively to the date of the existing filing.

Any notice filed pursuant to this section shall be effective for a period of one year from the date received by the director or from such later date as indicated on the notice unless sooner terminated by the issuer. Notice filings must be renewed annually. Notices may be amended by submitting an amended notice filing indicating any material changes and paying any fees, pursuant to this section, that may be required by an increase in the amount of securities covered by the notice.

(2) An open-end management company or a face-amount certificate company, as those terms are defined in the Investment Company Act of 1940, may choose to issue an indefinite amount of securities, if the following conditions are met:

(a) The filing made pursuant to subsection (1) of section 8-1108.02 states the company intends to issue an indefinite amount of securities in this state and is accompanied by a filing fee of one thousand dollars;

(b) Within ninety calendar days after the expiration of the notice, the company files a sales report containing the actual sales that occurred in this state for the one-year notice period just expired. During such ninety-day period, the notice filing shall be considered continuous;

(c) If the sales report required by subdivision (b) of this subsection shows that the company sold securities in excess of the amount of securities for which the filing fee was paid, the company must pay an additional fee to be calculated as follows: One-tenth of one percent of the aggregate amount of securities sold up to the first ten million dollars; and one-twentieth of one percent of the remainder of the aggregate amount of securities sold. The initial filing fee of one thousand dollars shall be deducted from the fee required to be paid pursuant to such subdivision. If this calculation results in a negative amount, no payment shall be made and no credit or refund shall be allowed or returned for such negative amount;

(d) A company may continue the effectiveness of its notice to issue an indefinite amount of securities for another notification period if, upon the filing of a sales report required by subdivision

(b) of this subsection, the company pays the renewal filing fee of one thousand dollars pursuant to subdivision (a) of this subsection, plus any additional fee which may be owed pursuant to subdivision (c) of this subsection;

(e) The notification shall be effective for a period of one year beginning on the date the notice is received by the director unless a later date is indicated on the notice; and

(f) Failure to file the sales report and pay any additional fees owed shall be cause for the director to issue an order suspending sales of the securities for which the sales report has not been filed and the appropriate fee has not been paid.

(3) A unit investment trust, as that term is defined in the Investment Company Act of 1940, may choose to issue an indefinite amount of securities for a period of one year or less if the following conditions are met:

(a) The unit investment trust issuer electing to offer an indefinite amount of securities files a notice pursuant to subsection (1) of section 8-1108.02, stating that it intends to issue an indefinite amount of securities for a period of one year or less in this state, and pays an initial filing fee of one hundred dollars with the notice filing;

(b) Within ninety calendar days after the occurrence of the earlier of the expiration of the trust's notice filing period, the termination of the offering by the issuer, or the completion of the offering, each trust files a sales report containing the total aggregate offering price of the securities sold in this state for the offering period just expired or terminated;

(c) If the sales report required by subdivision (b) of this subsection shows that the trust sold securities in excess of the amount of securities for which the filing fee was paid, the trust must pay an additional fee of one-tenth of one percent of the aggregate offering price of the excess securities sold. The initial fee of one hundred dollars shall be deducted from the filing fee paid pursuant to this subdivision. If this calculation results in a negative amount, no payment need be made and no credit or refund shall be allowed or returned for that negative amount; and

(d) Failure to file the sales report and pay any additional fees owed shall be cause for the director to issue an order suspending sales of the securities for which the sales report has not been filed and the appropriate fee has not been paid.

Registration of securities; denial, suspension, or revocation; grounds.

The director may issue a stop order denying effectiveness to, or suspending or revoking the effectiveness of, a registration statement to register securities by coordination if he or she finds that the order is in the public interest and that:

(1) Any such registration statement registering securities, as of its effective date or as of any earlier date in the case of an order denying effectiveness, is incomplete in any material respect or contains any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;

(2) Any provision of the Securities Act of Nebraska or any rule and regulation or order, or condition under the act has been violated, in connection with the offering by the person filing the registration statement, the issuer, any partner, limited liability company member, officer, or director of the issuer, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling or controlled by the issuer, but only if the person filing the registration statement is directly or indirectly controlled by or acting for the issuer or any underwriter;

(3) The security registered or sought to be registered is the subject of a permanent or temporary injunction of any court of competent jurisdiction entered under any other federal or state act applicable to the offering. The director may not institute a proceeding against an effective registration statement under this subdivision more than one year from the date of the injunction relied on, and he or she may not enter an order under this subdivision on the basis of an injunction entered under any other state act unless the injunction was based on facts which would currently constitute a ground for a stop order under this section;

(4) When a security is sought to be registered by coordination, there has been a failure to comply with the undertaking required by subdivision (2)(g) of section 8-1106;

(5) The applicant or registrant has failed to pay the proper registration fee. The director may enter only a denial order under this subdivision and shall vacate any such order when the deficiency has been corrected. The director may not enter an order against an effective registration statement on the basis of a fact or transaction known to him or her when the registration statement became effective;

(6) The authority of the applicant or registrant to do business has been denied or revoked by any other governmental agency;

(7) The issuer's or registrant's literature, circulars, or advertising is misleading, incorrect, incomplete, or calculated to deceive the purchaser or investor;

If the date of the audit report is more than one hundred twenty days before the date of the notice prescribed in this subdivision, the issuer shall provide unaudited interim financial statements;

(g) No commission or remuneration is paid directly or indirectly for soliciting any prospective purchaser, except to a registered agent of a registered broker-dealer or registered issuer-dealer; and

(h) At least ten days before use within this state, the issuer files with the department all advertising and sales materials that will be published, exhibited, broadcast, or otherwise used, directly or indirectly, in the offer or sale of a viatical settlement contract in this state;

(23) Any transaction in this state not involving a public offering by a Nebraska issuer selling solely to Nebraska residents when:

(a) The proceeds from all sales of securities by the issuer in any two-year period do not exceed seven hundred fifty thousand dollars or such greater amount as from time to time may be set in accordance with rules and regulations adopted and promulgated by the director to adjust the amount to reflect changes in the Consumer Price Index for All Urban Consumers as prepared by the United States Department of Labor, Bureau of Labor Statistics, and at least eighty percent of the proceeds are used in Nebraska;

(d)(i) At least fifteen business days prior to the offer or sale, the issuer files a notice with the director, which notice shall include:

(A) The name, address, telephone number, and email address of the issuer;

(B) The name and address of each person holding direct or indirect ownership or beneficial interest in the issuer;

(C) The amount of the offering; and

(D) The type of security being offered, the manner in which purchasers will be solicited, and a statement made upon oath or affirmation that the conditions of this exemption have been or will be met.

(ii) Failure to give such notice may be cured by an order issued by the director in his or her discretion;

(e) Prior to payment of consideration for the securities, the offeree receives a written disclosure statement containing (i) a description of the proposed use of the proceeds of the offering; (ii) the name of each partner or limited liability company member of the issuer, officer, director, or person occupying a similar status of the issuer or performing similar functions for the issuer; and (iii) the financial condition of the issuer;

(i) Has received the written disclosure statement;

(ii) Understands the investment involves a high level of risk; and

(iii) Has the financial resources to withstand the total loss of the money invested; and

(g) The issuer, within thirty days after the completion of the offering, files with the department a statement indicating the number of investors, the total dollar amount raised, and the use of the offering proceeds; or

(24)(a) An offer or a sale of a security made after August 30, 2015, by an issuer if the offer or sale is conducted in accordance with all the following requirements:

(i) The issuer of the security is a business entity organized under the laws of Nebraska and authorized to do business in Nebraska;

(ii) The transaction meets the requirements of the federal exemption for intrastate offerings in section 3(a)(11) of the Securities Act of 1933 and Rule 147 adopted under the Securities Act of 1933, or complies with Rule 147A adopted under the Securities Act of 1933;

(iii) Except as provided in subdivision (c) of this subdivision, the sum of all cash and other consideration to be received for all sales of the security in reliance on the exemption under this subdivision, excluding sales to any accredited investor, does not exceed the following amount:

(A) If the issuer has not undergone, and made available to each prospective investor and the director the documentation resulting from, a financial audit of its most recently completed fiscal year that complies with generally accepted accounting principles, one million dollars, less the aggregate amount received for all sales of securities by the issuer within the twelve months before the first offer or sale made in reliance on the exemption under this subdivision; or

(B) If the issuer has undergone, and made available to each prospective investor and the director the documentation resulting from, a financial audit of its most recently completed fiscal year that complies with generally accepted accounting principles, two million dollars, less the aggregate amount received for all sales of securities by the issuer within the twelve months before the first offer or sale made in reliance on the exemption under this subdivision;

(iv) The issuer does not accept more than five thousand dollars from any single purchaser except that such limitation shall not apply to an accredited investor;

(B) Pay a filing fee of two hundred dollars. However, no filing fee is required to file amendments to the form;

(C) Provide the director a copy of the disclosure document to be provided to prospective investors under subdivision (a)(xi) of this subdivision;

(D) Provide the director a copy of an escrow agreement with a bank, regulated trust company, savings bank, savings and loan association, or credit union authorized to do business in Nebraska in which the issuer will deposit the investor funds or cause the investor funds to be deposited. The bank, regulated trust company, savings bank, savings and loan association, or credit union in which the investor funds are deposited is only responsible to act at the direction of the party establishing the escrow agreement and does not have any duty or liability, contractual or otherwise, to any investor or other person;

(E) The issuer shall not access the escrow funds until the aggregate funds raised from all investors equals or exceeds the minimum amount specified in the escrow agreement; and

(F) An investor may cancel the investor's commitment to invest if the target offering amount is not raised before the time stated in the escrow agreement;

(vi) The issuer is not, either before or as a result of the offering, an investment company, as defined in section 3 of the Investment Company Act of 1940, an entity that would be an investment company but for the exclusions provided in section 3(c) of the Investment Company Act of 1940, or subject to the reporting requirements of section 13 or 15(d) of the Securities Exchange Act of 1934;

(vii) The issuer informs all prospective purchasers of securities offered under an exemption under this subdivision that the securities have not been registered under federal or state securities law and that the securities are subject to limitations on resale. The issuer shall display the following legend conspicuously on the cover page of the disclosure document:

IN MAKING AN INVESTMENT DECISION, INVESTORS MUST RELY ON THEIR OWN EXAMINATION OF THE ISSUER AND THE TERMS OF THE OFFERING, INCLUDING THE MERITS AND RISKS INVOLVED. THESE SECURITIES HAVE NOT BEEN RECOMMENDED BY ANY FEDERAL OR STATE SECURITIES COMMISSION, DEPARTMENT, OR DIVISION OR OTHER REGULATORY AUTHORITY. FURTHERMORE, THE FOREGOING AUTHORITIES HAVE NOT CONFIRMED THE ACCURACY OR DETERMINED THE ADEQUACY OF THIS DOCUMENT. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE. THESE SECURITIES ARE SUBJECT TO RESTRICTIONS ON TRANSFERABILITY AND RESALE AND MAY NOT BE TRANSFERRED OR RESOLD EXCEPT AS PERMITTED BY SUBSECTION (e) OF SEC RULE 147 OR SUBSECTION (e) OF RULE 147A ADOPTED UNDER THE SECURITIES ACT OF 1933 AND THE APPLICABLE STATE SECURITIES LAWS, PURSUANT TO REGISTRATION OR EXEMPTION THEREFROM. INVESTORS SHOULD BE AWARE THAT THEY WILL BE REQUIRED TO BEAR THE FINANCIAL RISKS OF THIS INVESTMENT FOR AN INDEFINITE PERIOD OF TIME.;

(viii) The issuer requires each purchaser to certify in writing or electronically as follows:

I understand and acknowledge that I am investing in a high-risk, speculative business venture. I may lose all of my investment, or under some circumstances more than my investment, and I can afford this loss. This offering has not been reviewed or approved by any state or federal securities commission, department, or division or other regulatory authority and no such person or authority has confirmed the accuracy or determined the adequacy of any disclosure made to me relating to this offering. The securities I am acquiring in this offering are illiquid, there is no ready market for the sale of such securities, it may be difficult or impossible for me to sell or otherwise dispose of this investment, and, accordingly, I may be required to hold this investment indefinitely. I may be subject to tax on my share of the taxable income and losses of the company, whether or not I have sold or otherwise disposed of my investment or received any dividends or other distributions from the company.;

(ix) The issuer obtains from each purchaser of a security offered under an exemption under this subdivision evidence that the purchaser is a resident of Nebraska and, if applicable, is an individual accredited investor;

(x) All payments for purchase of securities offered under an exemption under this subdivision are directed to and held by the financial institution specified in subdivision (a)(v)(D) of this subdivision. The director may request from the financial institutions information necessary to ensure compliance with this section. This information is not a public record and is not available for public inspection;

(xi) The issuer of securities offered under an exemption under this subdivision provides a disclosure document to each prospective investor at the time the offer of securities is made to the prospective investor that contains all the following:

(A) A description of the company, its type of entity, the address and telephone number of its principal office, its history, its business plan, and the intended use of the offering proceeds,

including any amounts to be paid, as compensation or otherwise, to any owner, executive officer, director, managing member, or other person occupying a similar status or performing similar functions on behalf of the issuer;

(B) The identity of all persons owning more than twenty percent of the ownership interests of any class of securities of the company;

(C) The identity of the executive officers, directors, managing members, and other persons occupying a similar status or performing similar functions in the name of and on behalf of the issuer, including their titles and their prior experience;

(D) The terms and conditions of the securities being offered and of any outstanding securities of the company; the minimum and maximum amount of securities being offered, if any; either the percentage ownership of the company represented by the offered securities or the valuation of the company implied by the price of the offered securities; the price per share, unit, or interest of the securities being offered; any restrictions on transfer of the securities being offered; and a disclosure of any anticipated future issuance of securities that might dilute the value of securities being offered;

(E) The identity of any person who has been or will be retained by the issuer to assist the issuer in conducting the offering and sale of the securities, including any portal operator but excluding persons acting solely as accountants or attorneys and employees whose primary job responsibilities involve the operating business of the issuer rather than assisting the issuer in raising capital;

(F) For each person identified as required in subdivision (a)(xi)(E) of this subdivision, a description of the consideration being paid to the person for such assistance;

(G) A description of any litigation, legal proceedings, or pending regulatory action involving the company or its management;

(H) The names and addresses of each portal operator that will be offering or selling the issuer's securities under an exemption under this subdivision;

(I) The Uniform Resource Locator for each funding portal that will be used by the portal operator to offer or sell the issuer's securities under an exemption under this subdivision; and

(J) Any additional information material to the offering, including, if appropriate, a discussion of significant factors that make the offering speculative or risky. This discussion must be concise and organized logically and may not be limited to risks that could apply to any issuer or any offering;

(xii) The offering or sale exempted under this subdivision is made exclusively through one or more funding portals and each funding portal is subject to the following:

(A) Before any offer or sale of securities, the issuer must provide to the portal operator evidence that the issuer is organized under the laws of Nebraska and is authorized to do business in Nebraska;

(B) Subject to subdivisions (a)(xii)(C) and (E) of this subdivision, the portal operator must register with the department by filing a statement, accompanied by a two-hundred-dollar filing fee, that includes the following information:

(I) Documentation which demonstrates that the portal operator is a business entity and authorized to do business in Nebraska;

(II) A representation that the funding portal is being used to offer and sell securities pursuant to the exemption under this subdivision; and

(III) The identity and location of, and contact information for, the portal operator;

(C) The portal operator is not required to register as a broker-dealer if all of the following apply with respect to the funding portal and its portal operator:

(I) It does not offer investment advice or recommendations;

(II) It does not solicit purchases, sales, or offers to buy the securities offered or displayed on the funding portal;

(III) It does not compensate employees, agents, or other persons for the solicitation or based on the sale of securities displayed or referenced on the funding portal;

(IV) It is not compensated based on the amount of securities sold, and it does not hold, manage, possess, or otherwise handle investor funds or securities;

(V) The fee it charges an issuer for an offering of securities on the funding portal is a fixed amount for each offering, a variable amount based on the length of time that the securities are offered on the funding portal, or a combination of the fixed and variable amounts;

(VI) It does not identify, promote, or otherwise refer to any individual security offered on the funding portal in any advertising for the funding portal;

(VII) It does not engage in any other activities that the director, by rule and regulation or order, determines are prohibited of the funding portal; and

(VIII) Neither the portal operator, nor any director, executive officer, general partner, managing member, or other person with management authority over the portal operator, has been subject to any conviction, order, judgment, decree, or other action specified in Rule 506(d)(1) adopted under the Securities Act of 1933, that would disqualify an issuer under Rule 506(d) adopted under the Securities Act of 1933, from claiming an exemption specified in Rule 506(a) to

Rule 506(c) adopted under the Securities Act of 1933. However, this subdivision does not apply if both of the following are met:

(1) On a showing of good cause and without prejudice to any other action by the Director of Banking and Finance, the director determines that it is not necessary under the circumstances that an exemption is denied; and

(2) The portal operator establishes that it made a factual inquiry into whether any disqualification existed under this subdivision but did not know, and in the exercise of reasonable care, could not have known, that a disqualification existed under this subdivision. The nature and scope of the requisite inquiry will vary based on the circumstances of the issuer and the other offering participants;

(D) If any change occurs that affects the funding portal's registration exemption, the portal operator must notify the department within thirty days after the change occurs;

(E) A registered broker-dealer who also serves as a portal operator must register with the department as a portal operator pursuant to subdivision (a)(xii)(B) of this subdivision, except that the fee for registration shall be waived;

(F) The issuer and the portal operator must maintain records of all offers and sales of securities effected through the funding portal and must provide ready access to the records to the department, upon request. The records of a portal operator under this subdivision are subject to the reasonable periodic, special, or other audits or inspections by a representative of the director, in or outside Nebraska, as the director considers necessary or appropriate in the public interest and for the protection of investors. An audit or inspection may be made at any time and without prior notice. The director may copy, and remove for audit or inspection copies of, all records the director reasonably considers necessary or appropriate to conduct the audit or inspection. The director may assess a reasonable charge for conducting an audit or inspection under this subdivision;

(G) The portal operator shall limit web site access to the offer or sale of securities to only Nebraska residents;

(H) The portal operator shall not hold, manage, possess, or handle investor funds or securities; and

(I) The portal operator may not be an investor in any Nebraska offering under this subdivision.

(b) An issuer of a security, the offer and sale of which is exempt under this subdivision, shall provide, free of charge, a quarterly report to the issuer's investors until no securities issued under an exemption under this subdivision are outstanding. An issuer may satisfy the reporting requirement of this subdivision by making the information available on a funding portal if the information is made available within forty-five days after the end of each fiscal quarter and remains available until the succeeding quarterly report is issued. An issuer shall file each quarterly report under this subdivision with the department and, if the quarterly report is made available on a

funding portal, the issuer shall also provide a written copy of the report to any investor upon request. The report must contain all the following:

(i) Compensation received by each director and executive officer, including cash compensation earned since the previous report and on an annual basis and any bonuses, stock options, other rights to receive securities of the issuer or any affiliate of the issuer, or other compensation received; and

(ii) An analysis by management of the issuer of the business operations and financial condition of the issuer.

(c) An offer or a sale under this subdivision to an officer, director, partner, trustee, or individual occupying similar status or performing similar functions with respect to the issuer or to a person owning ten percent or more of the outstanding shares of any class or classes of securities of the issuer does not count toward the monetary limitations in subdivision (a)(iii) of this subdivision.

(d) The exemption under this subdivision may not be used in conjunction with any other exemption under the Securities Act of Nebraska, except for offers and sales to individuals identified in the disclosure document, during the immediately preceding twelve-month period.

(e) The exemption under this subdivision does not apply if an issuer or any director, executive officer, general partner, managing member, or other person with management authority over the issuer, has been subject to any conviction, order, judgment, decree, or other action specified in Rule 506(d)(1) adopted under the Securities Act of 1933, that would disqualify an issuer under Rule 506(d) adopted under the Securities Act of 1933, from claiming an exemption specified in Rule 506(a) to Rule 506(c) adopted under the Securities Act of 1933. However, this subdivision does not apply if both of the following are met:

(i) On a showing of good cause and without prejudice to any other action by the Director of Banking and Finance, the director determines that it is not necessary under the circumstances that an exemption is denied; and

(ii) The issuer establishes that it made a factual inquiry into whether any disqualification existed under this subdivision but did not know, and in the exercise of reasonable care, could not have known, that a disqualification existed under this subdivision. The nature and scope of the requisite inquiry will vary based on the circumstances of the issuer and the other offering participants.

(f) For purposes of this subdivision:

(i) Accredited investor means a bank, a savings institution, a trust company, an insurance company, an investment company as defined in the Investment Company Act of 1940, a pension or profit-sharing trust or other financial institution or institutional buyer, an individual accredited investor, or a broker-dealer, whether the purchaser is acting for itself or in some fiduciary capacity;

(iv) Portal operator means an entity authorized to do business in this state which operates a funding portal and has registered with the department as required by this subdivision.

Violations; damages; statute of limitations.

(1) Any person who offers or sells a security in violation of section 8-1104 or offers or sells a security by means of any untrue statement of a material fact or any omission to state a material fact necessary in order to make the statements made in the light of the circumstances under which they are made not misleading, the buyer not knowing of the untruth or omission, and who does not sustain the burden of proof that he or she did not know and in the exercise of reasonable care could not have known of the untruth or omission, shall be liable to the person buying the security from him or her, who may sue either at law or in equity to recover the consideration paid for the security, together with interest at six percent per annum from the date of payment, costs, and reasonable attorney's fees, less the amount of any income received on the security, upon the tender of the security, or for damages if he or she no longer owns the security, except that in actions brought based on a transaction exempt from registration under subdivision (23) of section 8-1111, no person shall be liable for any statement of a material fact made or for an omission of a material fact required to be stated or necessary to make the statement made not misleading unless such statement or omission was made with the intent to defraud or mislead, with the burden of proof in such cases being on the claimant. Damages shall be the amount that would be recoverable upon a tender less (a) the value of the security when the buyer disposed of it and (b) interest at six percent per annum from the date of disposition.

(2) Any investment adviser who provides investment adviser services to another person which results in a willful violation of subsection (2), (3), or (4) of section 8-1102, subsection (2) of section 8-1103, or section 8-1114 or any investment adviser who employs any device, scheme, or artifice to defraud such person or engages in any act, practice, or course of business which operates or would operate as a fraud or deceit on such person shall be liable to such person. Such person may sue either at law or in equity to recover the consideration paid for the investment adviser services and any loss due to such investment adviser services, together with interest at six percent per annum from the date of payment of the consideration plus costs and reasonable attorney's fees, less the amount of any income received from such investment adviser services and any other economic benefit.
