notice to and cooperate with the owner or licensee of the information of any breach of the security of the system when it becomes aware of a breach if use of personal information about a Nebraska resident for an unauthorized purpose occurred or is reasonably likely to occur. Cooperation includes, but is not limited to, sharing with the owner or licensee information relevant to the breach, not including information proprietary to the individual or commercial entity.

(4) Notice required by this section may be delayed if a law enforcement agency determines that the notice will impede a criminal investigation. Notice shall be made in good faith, without unreasonable delay, and as soon as possible after the law enforcement agency determines that notification will no longer impede the investigation.
