For purposes of the valuation of those assets of a registered diversified company which are not subject to the limitations provided for in section 80a-5(b)(1) of this title, the Commission may, by rules and regulations or orders, permit any security to be carried at cost, if it shall determine that such procedure is consistent with the general intent and purposes of this subchapter. For purposes of sections 80a-5 and 80a-12 of this title in lieu of values determined as provided in clause (A) above, the Commission shall by rules and regulations permit valuation of securities at cost or other basis in cases where it may be more convenient for such company to make its computations on such basis by reason of the necessity or desirability of complying with the provisions of any United States revenue laws or rules and regulations issued thereunder, or the laws or the rules and regulations issued thereunder of any State in which the securities of such company may be qualified for sale.
The foregoing definition shall not derogate from the authority of the Commission with respect to the reports, information, and documents to be filed with the Commission by any registered company, or with respect to the accounting policies and principles to be followed by any such company, as provided in sections 80a–8, 80a–29, and 80a–30 of this title.

(iii) it has total assets of not more than $4,000,000, and capital and surplus (shareholders’ equity less retained earnings) of not less than $2,000,000, except that the Commission may adjust such amounts by rule, regulation, or order to reflect changes in 1 or more generally accepted indices or other indicators for small businesses; or

§80a–15. Contracts of advisers and underwriters

(a) Written contract to serve or act as investment adviser; contents

It shall be unlawful for any person to serve or act as investment adviser of a registered investment company, except pursuant to a written contract, which contract, whether with such registered company or with an investment adviser of such registered company, has been approved by the vote of a majority of the outstanding voting securities of such registered company, and—

(1) precisely describes all compensation to be paid thereunder;

(2) shall continue in effect for a period more than two years from the date of its execution, only so long as such continuance is specifically approved at least annually by the board of directors or by vote of a majority of the outstanding voting securities of such company;

(3) provides, in substance, that it may be terminated at any time, without the payment of any penalty, by the board of directors of such registered company or by vote of a majority of the outstanding voting securities of such company on not more than sixty days’ written notice to the investment adviser; and

(4) provides, in substance, for its automatic termination in the event of its assignment.

(b) Written contract with company for sale by principal underwriter of security of which company is issuer; contents

(2) provides, in substance, for its automatic termination in the event of its assignment.

(c) Approval of contract to undertake service as investment adviser or principal underwriter by majority of noninterested directors

In addition to the requirements of subsections (a) and (b) of this section, it shall be unlawful for any registered investment company having a board of directors to enter into, renew, or perform any contract or agreement, written or oral, whereby a person undertakes regularly to serve or act as investment adviser of or principal underwriter for such company, unless the terms of such contract or agreement and any renewal thereof have been approved by the vote of a majority of directors, who are not parties to such contract or agreement or interested persons of any such party, cast in person at a meeting called for the purpose of voting on such approval. It shall be the duty of the directors of a registered investment company to request and evaluate, and the duty of an investment adviser to such company to furnish, such information as may reasonably be necessary to evaluate the terms of any contract whereby a person undertakes regularly to serve or act as investment adviser of such company. It shall be unlawful for the directors of a registered investment company, in connection with their evaluation of the terms of any contract whereby a person undertakes regularly to serve or act as investment adviser of such company, to take into account the purchase price or other
consideration any person may have paid in connection with a transaction of the type referred to in paragraph (1), (3), or (4) of subsection (f) of this section.

(d) Equivalent of vote of majority of outstanding voting securities in case of common-law trust

(e) Exemption of advisory boards or members from provisions of this section

Nothing contained in this section shall be deemed to require or contemplate any action by an advisory board of any registered company or by any of the members of such a board.

(f) Receipt of benefits by investment adviser from sale of securities or other interest in such investment adviser resulting in assignment of investment advisory contract

(1) An investment adviser, or a corporate trustee performing the functions of an investment adviser, of a registered investment company or an affiliated person of such investment adviser or corporate trustee may receive any amount or benefit in connection with a sale of securities of, or a sale of any other interest in, such investment adviser or corporate trustee which results in an assignment of an investment advisory contract with such company or the change in control of or identity of such corporate trustee, if—

(A) for a period of three years after the time of such action, at least 75 per centum of the members of the board of directors of such registered company or such corporate trustee (or successor thereto, by reorganization or otherwise) are not (i) interested persons of the investment adviser of such company or such corporate trustee, or (ii) interested persons of the predecessor investment adviser or such corporate trustee; and

(B) there is not imposed an unfair burden on such company as a result of such transaction or any express or implied terms, conditions, or understandings applicable thereto.

(2)(A) For the purpose of paragraph (1)(A) of this subsection, interested persons of a corporate trustee shall be determined in accordance with section 80a–2(a)(19)(B) of this title: Provided, That no person shall be deemed to be an interested person of a corporate trustee solely by reason of (i) his being a member of its board of directors or advisory board or (ii) his membership in the immediate family of any person specified in clause (i) of this subparagraph.

(B) For the purpose of paragraph (1)(B) of this subsection, an unfair burden on a registered investment company includes any arrangement, during the two-year period after the date on which any such transaction occurs, whereby the investment adviser or corporate trustee or predecessor or successor investment advisers or corporate trustee or any interested person of any such adviser or any such corporate trustee receives or is entitled to receive any compensation directly or indirectly (i) from any person in connection with the purchase or sale of securities or other property to, from, or on behalf of such company, other than bona fide ordinary compensation as principal underwriter for such company, or (ii) from such company or its security holders for other than bona fide investment advisory or other services.

(3) If—

(A) an assignment of an investment advisory contract with a registered investment company results in a successor investment adviser to such company, or if there is a change in control of or identity of a corporate trustee of a registered investment company, and such adviser or trustee is then an investment adviser or corporate trustee with respect to other assets substantially greater in amount than the amount of assets of such company, or
(B) as a result of a merger of, or a sale of substantially all the assets by, a registered investment company with or to another registered investment company with assets substantially greater in amount, a transaction occurs which would be subject to paragraph (1)(A) of this subsection.

such discrepancy in size of assets shall be considered by the Commission in determining whether or to what extent an application under section 80a–6(c) of this title for exemption from the provisions of paragraph (1)(A) of this subsection should be granted.

(4) Paragraph (1)(A) of this subsection shall not apply to a transaction in which a controlling block of outstanding voting securities of an investment adviser to a registered investment company or of a corporate trustee performing the functions of an investment adviser to a registered investment company is—

(A) distributed to the public and in which there is, in fact, no change in the identity of the persons who control such investment adviser or corporate trustee, or

This reconciliation shall include both of the following:

1. The change in the difference between the fair value and contract value of all fully benefit-responsive investment contracts

2. The increase or decrease due to changes in the fully benefit-responsive status of the fund’s investment contracts.

f. The average yield earned by the entire fund (which may differ from the interest rate credited to participants in the fund) for each period for which a statement of assets and liabilities is presented. This average yield shall be calculated by dividing the annualized earnings of all investments in the fund (irrespective of the interest rate credited to participants in the fund) by the fair value of all investments in the fund.

g. The average yield earned by the entire fund with an adjustment to reflect the actual interest rate credited to participants in the fund for each period for which a statement of assets and liabilities is presented. This average yield shall be calculated by dividing the annualized earnings credited to participants in the fund (irrespective of the actual earnings of the investments in the fund) by the fair value of all investments in the fund.

h. Both of the following sensitivity analyses:

1. The weighted average interest crediting rate (that is, the contract value yield) as of the date of the latest statement of assets and liabilities and the effect on this weighted average interest crediting rate, calculated as of the date of the latest statement of assets and liabilities and the end of the next four quarterly periods, under two or more scenarios where there is an immediate hypothetical increase or decrease in market yields, with no change to the duration of the underlying investment portfolio and no contributions or withdrawals. Those scenarios should include, at a minimum, immediate hypothetical increases and decreases in market yields equal to one-quarter and one-half of the current yield.

2. The effect on the weighted average interest crediting rate calculated as of the date of the latest statement of assets and liabilities and the next four quarterly reset dates, under two or more scenarios where there are the same immediate hypothetical changes in market yields in the first analysis, combined with an immediate, one-time, hypothetical 10 percent decrease in the net assets of the fund due to participant transfers, with no change to the duration of the portfolio.

i. A description of the events that limit the ability of the fund to transact at contract value with the issuer (for example, premature termination of the contracts by the fund, plant closings, layoffs, plan termination, bankruptcy, mergers, and early retirement incentives), including a statement as to whether the occurrence of those events that would limit the fund’s ability to transact at contract value with the participants in the fund is probable or not probable.

j. A description of the events and circumstances that would allow issuers to terminate fully benefit-responsive investment contracts with the fund and settle at an amount different from contract value.

Example 2 (see paragraph 946-210-55-2) illustrates the application of this guidance.

§210.2-01 Qualifications of accountants.

Preliminary Note to §210.2-01

1. Section 210.2-01 is designed to ensure that auditors are qualified and independent of their audit clients both in fact and in appearance. Accordingly, the rule sets forth restrictions on financial, employment, and business relationships between an accountant and an audit client and restrictions on an accountant providing certain non-audit services to an audit client.

2. Section 210.2-01(b) sets forth the general standard of auditor independence. Paragraphs (c)(1) to (c)(5) reflect the application of the general standard to particular circumstances. The rule does not purport to, and the Commission could not, consider all circumstances that raise independence concerns, and these are subject to the general standard in §210.2-01(b). In considering this standard, the Commission looks in the first instance to whether a relationship or the provision of a service creates a mutual or conflicting interest between the accountant and the audit client; places the accountant in the position of auditing his or her own work; results in the accountant acting as management or an employee of the audit client; or places the accountant in a position of being an advocate for the audit client.

3. These factors are general guidance only and their application may depend on particular facts and circumstances. For that reason, §210.2-01 provides that, in determining whether an accountant is independent, the Commission will consider all relevant facts and circumstances. For the same reason, registrants and accountants are encouraged to consult with the Commission's Office of the Chief Accountant before entering into relationships, including relationships involving the provision of services, that are not explicitly described in the rule.

(a) The Commission will not recognize any person as a certified public accountant who is not duly registered and in good standing as such under the laws of the place of his residence or principal office. The Commission will not recognize any person as a public accountant who is not in good standing and entitled to practice as such under the laws of the place of his residence or principal office.

(b) The Commission will not recognize an accountant as independent, with respect to an audit client, if the accountant is not, or a reasonable investor with knowledge of all relevant facts and circumstances would conclude that the accountant is not, capable of exercising objective and impartial judgment on all issues encompassed within the accountant's engagement. In determining whether an accountant is independent, the Commission will consider all relevant circumstances, including all relationships between the accountant and the audit client, and not just those relating to reports filed with the Commission.

(c) This paragraph sets forth a non-exclusive specification of circumstances inconsistent with paragraph (b) of this section.

(1) Financial relationships. An accountant is not independent if, at any point during the audit and professional engagement period, the accountant has a direct financial interest or a material indirect financial interest in the accountant's audit client, such as:

(i) Investments in audit clients. An accountant is not independent when:

(A) The accounting firm, any covered person in the firm, or any of his or her immediate family members, has any direct investment in an audit client, such as stocks, bonds, notes, options, or other securities. The term direct investment includes an investment in an audit client through an intermediary if:

(1) The accounting firm, covered person, or immediate family member, alone or together with other persons, supervises or participates in the intermediary's investment decisions or has control over the intermediary; or

(2) The intermediary is not a diversified management investment company, as defined by section 5(b)(1) of the Investment Company Act of 1940, 15 U.S.C. 80a-5(b)(1), and has an investment in the audit client that amounts to 20% or more of the value of the intermediary's total investments.

(B) Any partner, principal, shareholder, or professional employee of the accounting firm, any of his or her immediate family members, any close family member of a covered person in the firm, or any group of the above persons has filed a Schedule 13D or 13G (17 CFR 240.13d-101 or 240.13d-102) with the Commission indicating beneficial ownership of more than five percent of an audit client's equity securities or controls an audit client, or a close family member of a partner, principal, or shareholder of the accounting firm controls an audit client.
(C) The accounting firm, any covered person in the firm, or any of his or her immediate family members, serves as voting trustee of a trust, or executor of an estate, containing the securities of an audit client, unless the accounting firm, covered person in the firm, or immediate family member has no authority to make investment decisions for the trust or estate.

(D) The accounting firm, any covered person in the firm, any of his or her immediate family members, or any group of the above persons has any material indirect investment in an audit client. For purposes of this paragraph, the term *material indirect investment* does not include ownership by any covered person in the firm, any of his or her immediate family members, or any group of the above persons of 5% or less of the outstanding shares of a diversified management investment company, as defined by section 5(b)(1) of the Investment Company Act of 1940, 15 U.S.C. 80a-5(b)(1), that invests in an audit client.

(E) The accounting firm, any covered person in the firm, or any of his or her immediate family members:

(i) Has any direct or material indirect investment in an entity where:

   (i) An audit client has an investment in that entity that is material to the audit client and has the ability to exercise significant influence over that entity; or

   (ii) The entity has an investment in an audit client that is material to that entity and has the ability to exercise significant influence over that audit client;

(2) Has any material investment in an entity over which an audit client has the ability to exercise significant influence; or

(3) Has the ability to exercise significant influence over an entity that has the ability to exercise significant influence over an audit client.

(ii) *Other financial interests in audit client.* An accountant is not independent when the accounting firm, any covered person in the firm, or any of his or her immediate family members has:

(A) *Loans/debtor-creditor relationship.* Any loan (including any margin loan) to or from an audit client, or an audit client’s officers, directors, or record or beneficial owners of more than ten percent of the audit client’s equity securities, except for the following loans obtained from a financial institution under its normal lending procedures, terms, and requirements:

   (1) Automobile loans and leases collateralized by the automobile;

   (2) Loans fully collateralized by the cash surrender value of an insurance policy;

   (3) Loans fully collateralized by cash deposits at the same financial institution; and

   (4) A mortgage loan collateralized by the borrower’s primary residence provided the loan was not obtained while the covered person in the firm was a covered person.

(B) *Savings and checking accounts.* Any savings, checking, or similar account at a bank, savings and loan, or similar institution that is an audit client, if the account has a balance that exceeds the amount insured by the Federal Deposit Insurance Corporation or any similar insurer, except that an accounting firm account may have an uninsured balance provided that the likelihood of the bank, savings and loan, or similar institution experiencing financial difficulties is remote.

(C) *Broker-dealer accounts.* Brokerage or similar accounts maintained with a broker-dealer that is an audit client, if:

   (1) Any such account includes any asset other than cash or securities (within the meaning of “security” provided in the Securities Investor Protection Act of 1970 (“SIPA”) (15 U.S.C. 78aaa et seq.));

   (2) The value of assets in the accounts exceeds the amount that is subject to a Securities Investor Protection Corporation advance, for those accounts, under Section 9 of SIPA (15 U.S.C. 78ff-3); or

   (3) With respect to non-U.S. accounts not subject to SIPA protection, the value of assets in the accounts exceeds the amount insured or protected by a program similar to SIPA.

(D) *Futures commission merchant accounts.* Any futures, commodity, or similar account maintained with a futures commission merchant that is an audit client.

(E) *Credit cards.* Any aggregate outstanding credit card balance owed to a lender that is an audit client that is not reduced to $10,000 or less on a current basis taking into consideration the payment due date and any available grace period.

(F) *Insurance products.* Any individual policy issued by an insurer that is an audit client unless:

   (1) The policy was obtained at a time when the covered person in the firm was not a covered person in the firm; and

   (2) The likelihood of the insurer becoming insolvent is remote.

(G) *Investment companies.* Any financial interest in an entity that is part of an investment company complex that includes an audit client.
(iii) Exceptions. Notwithstanding paragraphs (c)(1)(i) and (c)(1)(ii) of this section, an accountant will not be deemed not independent if:

(A) Inheritance and gift. Any person acquires an unsolicited financial interest, such as through an unsolicited gift or inheritance, that would cause an accountant to be not independent under paragraph (c)(1)(i) or (c)(1)(ii) of this section, and the financial interest is disposed of as soon as practicable, but no later than 30 days after the person has knowledge of and the right to dispose of the financial interest.

(B) New audit engagement. Any person has a financial interest that would cause an accountant to be not independent under paragraph (c)(1)(i) or (c)(1)(ii) of this section, and:

1. The accountant did not audit the client's financial statements for the immediately preceding fiscal year; and
2. The accountant is independent under paragraph (c)(1)(i) and (c)(1)(ii) of this section before the earlier of:
   (i) Signing an initial engagement letter or other agreement to provide audit, review, or attest services to the audit client; or
   (ii) Commencing any audit, review, or attest procedures (including planning the audit of the client's financial statements).

(C) Employee compensation and benefit plans. An immediate family member of a person who is a covered person in the firm only by virtue of paragraphs (f)(11)(iii) or (f)(11)(iv) of this section has a financial interest that would cause an accountant to be not independent under paragraph (c)(1)(i) or (c)(1)(ii) of this section, and the acquisition of the financial interest was an avoidable consequence of participation in his or her employer's employee compensation or benefits program, provided that the financial interest, other than unexercised employee stock options, is disposed of as soon as practicable, but no later than 30 days after the person has the right to dispose of the financial interest.

(iv) Audit clients' financial relationships. An accountant is not independent when:

(A) Investments by the audit client in the accounting firm. An audit client has, or has agreed to acquire, any direct investment in the accounting firm, such as stocks, bonds, notes, options, or other securities, or the audit client's officers or directors are record or beneficial owners of more than 5% of the equity securities of the accounting firm.

(B) Underwriting. An accounting firm engages an audit client to act as an underwriter, broker-dealer, market-maker, promoter, or analyst with respect to securities issued by the accounting firm.

2. Employment relationships. An accountant is not independent if, at any point during the audit and professional engagement period, the accountant has an employment relationship with an audit client, such as:

   (i) Employment at audit client of accountant. A current partner, principal, shareholder, or professional employee of the accounting firm is employed by the audit client or serves as a member of the board of directors or similar management or governing body of the audit client.

   (ii) Employment at audit client of certain relatives of accountant. A close family member of a covered person in the firm is in an accounting role or financial reporting oversight role at an audit client, or was in such a role during any period covered by an audit for which the covered person in the firm is a covered person.

   (iii) Employment at audit client of former employee of accounting firm. A former partner, principal, shareholder, or professional employee of an accounting firm is in an accounting role or financial reporting oversight role at an audit client, unless the individual:

      (1) Does not influence the accounting firm's operations or financial policies;

      (2) Has no capital balances in the accounting firm; and

      (3) Has no financial arrangement with the accounting firm other than one providing for regular payment of a fixed dollar amount (which is not dependent on the revenues, profits, or earnings of the accounting firm):

         (i) Pursuant to a fully funded retirement plan, rabbi trust, or, in jurisdictions in which a rabbi trust does not exist, a similar vehicle; or

         (ii) In the case of a former professional employee who was not a partner, principal, or shareholder of the accounting firm and who has been disassociated from the accounting firm for more than five years, that is immaterial to the former professional employee; and

         (B) A former partner, principal, shareholder, or professional employee of an accounting firm is in a financial reporting oversight role at an issuer (as defined in section 10A(f) of the Securities Exchange Act of 1934 (15 U.S.C. 78j-1(f)), except an issuer that is an investment company registered under section 8 of the Investment Company Act of 1940 (15 U.S.C. 80a-8), unless the individual:
(1) Employed by the issuer was not a member of the audit engagement team of the issuer during the one year period preceding the date that audit procedures commenced for the fiscal period that included the date of initial employment of the audit engagement team member by the issuer;

(2) For purposes of paragraph (c)(2)(iii)(B)(f) of this section, the following individuals are not considered to be members of the audit engagement team:

(i) Persons, other than the lead partner and the concurring partner, who provided ten or fewer hours of audit, review, or attest services during the period covered by paragraph (c)(2)(iii)(B)(f) of this section;

(ii) Individuals employed by the issuer as a result of a business combination between an issuer that is an audit client and the employing entity, provided employment was not in contemplation of the business combination and the audit committee of the successor issuer is aware of the prior employment relationship; and

(iii) Individuals that are employed by the issuer due to an emergency or other unusual situation provided that the audit committee determines that the relationship is in the interest of investors;

(3) For purposes of paragraph (c)(2)(iii)(B)(f) of this section, audit procedures are deemed to have commenced for a fiscal period the day following the filing of the issuer's periodic annual report with the Commission covering the previous fiscal period; or

(C) A former partner, principal, shareholder, or professional employee of an accounting firm is in a financial reporting oversight role with respect to an investment company registered under section 8 of the Investment Company Act of 1940 (15 U.S.C. 80a-8), if:

(1) The former partner, principal, shareholder, or professional employee of an accounting firm is employed in a financial reporting oversight role related to the operations and financial reporting of the registered investment company at an entity in the investment company complex, as defined in (f)(14) of this section, that includes the registered investment company, and

(2) The former partner, principal, shareholder, or professional employee of an accounting firm employed by the registered investment company or any entity in the investment company complex was a member of the audit engagement team of the registered investment company or any other registered investment company in the investment company complex during the one year period preceding the date that audit procedures commenced that included the date of initial employment of the audit engagement team member by the registered investment company or any entity in the investment company complex;

(3) For purposes of paragraph (c)(2)(iii)(C)(2) of this section, the following individuals are not considered to be members of the audit engagement team:

(i) Persons, other than the lead partner and concurring partner, who provided ten or fewer hours of audit, review or attest services during the period covered by paragraph (c)(2)(iii)(C)(2) of this section;

(ii) Individuals employed by the registered investment company or any entity in the investment company complex as a result of a business combination between a registered investment company or any entity in the investment company complex that is an audit client and the employing entity, provided employment was not in contemplation of the business combination and the audit committee of the registered investment company is aware of the prior employment relationship; and

(iii) Individuals that are employed by the registered investment company or any entity in the investment company complex due to an emergency or other unusual situation provided that the audit committee determines that the relationship is in the interest of investors.

(4) For purposes of paragraph (c)(2)(iii)(C)(2) of this section, audit procedures are deemed to have commenced the day following the filing of the registered investment company's periodic annual report with the Commission,

(iv) Employment at accounting firm of former employee of audit client. A former officer, director, or employee of an audit client becomes a partner, principal, shareholder, or professional employee of the accounting firm, unless the individual does not participate in, and is not in a position to influence, the audit of the financial statements of the audit client covering any period during which he or she was employed by or associated with that audit client.

(3) Business relationships. An accountant is not independent if, at any point during the audit and professional engagement period, the accounting firm or any covered person in the firm has any direct or material indirect business relationship with an audit client, or with persons associated with the audit client in a decision-making capacity, such as an audit client's officers, directors, or substantial stockholders. The relationships described in this paragraph do not include a relationship in which the accounting firm or covered person in the firm provides professional services to an audit client or is a consumer in the ordinary course of business.

(4) Non-audit services. An accountant is not independent if, at any point during the audit and professional engagement period, the accountant provides the following non-audit services to an audit client:
(i) Bookkeeping or other services related to the accounting records or financial statements of the audit client. Any service, unless it is reasonable to conclude that the results of these services will not be subject to audit procedures during an audit of the audit client's financial statements, including:

(A) Maintaining or preparing the audit client's accounting records;

(B) Preparing the audit client's financial statements that are filed with the Commission or that form the basis of financial statements filed with the Commission; or

(C) Preparing or originating source data underlying the audit client's financial statements.

(ii) Financial information systems design and implementation. Any service, unless it is reasonable to conclude that the results of these services will not be subject to audit procedures during an audit of the audit client's financial statements, including:

(A) Directly or indirectly operating, or supervising the operation of, the audit client's information system or managing the audit client's local area network; or

(B) Designing or implementing a hardware or software system that aggregates source data underlying the financial statements or generates information that is significant to the audit client's financial statements or other financial information systems taken as a whole.

(iii) Appraisal or valuation services, fairness opinions, or contribution-in-kind reports. Any appraisal service, valuation service, or any service involving a fairness opinion or contribution-in-kind report for an audit client, unless it is reasonable to conclude that the results of these services will not be subject to audit procedures during an audit of the audit client's financial statements.

(iv) Actuarial services. Any actuarially-oriented advisory service involving the determination of amounts recorded in the financial statements and related accounts for the audit client other than assisting a client in understanding the methods, models, assumptions, and inputs used in computing an amount, unless it is reasonable to conclude that the results of these services will not be subject to audit procedures during an audit of the audit client's financial statements.

(v) Internal audit outsourcing services. Any internal audit service that has been outsourced by the audit client that relates to the audit client's internal accounting controls, financial systems, or financial statements, for an audit client unless it is reasonable to conclude that the results of these services will not be subject to audit procedures during an audit of the audit client's financial statements.

(vi) Management functions. Acting, temporarily or permanently, as a director, officer, or employee of an audit client, or performing any decision-making, supervisory, or ongoing monitoring function for the audit client.

(vii) Human resources. (A) Searching for or seeking out prospective candidates for managerial, executive, or director positions;

(B) Engaging in psychological testing, or other formal testing or evaluation programs;

(C) Undertaking reference checks of prospective candidates for an executive or director position;

(D) Acting as a negotiator on the audit client's behalf, such as determining position, status or title, compensation, fringe benefits, or other conditions of employment; or

(E) Recommending, or advising the audit client to hire, a specific candidate for a specific job (except that an accounting firm may, upon request by the audit client, interview candidates and advise the audit client on the candidate's competence for financial accounting, administrative, or control positions).

(viii) Broker-dealer, investment adviser, or investment banking services. Acting as a broker-dealer (registered or unregistered), promoter, or underwriter, on behalf of an audit client, making investment decisions on behalf of the audit client or otherwise having discretionary authority over an audit client's investments, executing a transaction to buy or sell an audit client's investment, or having custody of assets of the audit client, such as taking temporary possession of securities purchased by the audit client.

(ix) Legal services. Providing any service to an audit client that, under circumstances in which the service is provided, could be provided only by someone licensed, admitted, or otherwise qualified to practice law in the jurisdiction in which the service is provided.

(x) Expert services unrelated to the audit. Providing an expert opinion or other expert service for an audit client, or an audit client's legal representative, for the purpose of advocating an audit client's interests in litigation or in a regulatory or administrative proceeding or investigation. In any litigation or regulatory or administrative proceeding or investigation, an accountant's independence shall not be deemed to be impaired if the accountant provides factual accounts, including in testimony, of work performed or explains the positions taken or conclusions reached during the performance of any service provided by the accountant for the audit client.
(5) Contingent fees. An accountant is not independent if, at any point during the audit and professional engagement period, the accountant provides any service or product to an audit client for a contingent fee or a commission, or receives a contingent fee or commission from an audit client.

(6) Partner rotation. (i) Except as provided in paragraph (c)(6)(i) of this section, an accountant is not independent of an audit client when:

(A) Any audit partner as defined in paragraph (f)(7)(ii) of this section performs:

(1) The services of a lead partner, as defined in paragraph (f)(7)(ii)(A) of this section, or concurring partner, as defined in paragraph (f)(7)(ii)(B) of this section, for more than five consecutive years; or

(2) One or more of the services defined in paragraphs (f)(7)(ii)(C) and (D) of this section for more than seven consecutive years;

(B) Any audit partner:

(1) Within the five consecutive year period following the performance of services for the maximum period permitted under paragraph (c)(6)(i)(A)(1) of this section, performs for that audit client the services of a lead partner, as defined in paragraph (f)(7)(ii)(A) of this section, or concurring partner, as defined in paragraph (f)(7)(ii)(B) of this section, or a combination of those services, or

(2) Within the two consecutive year period following the performance of services for the maximum period permitted under paragraph (c)(6)(i)(A)(2) of this section, performs one or more of the services defined in paragraph (f)(7)(ii) of this section.

(ii) Any accounting firm with less than five audit clients that are issuers (as defined in section 10A(f) of the Securities Exchange Act of 1934 (15 U.S.C. 78j-1(f))) and less than ten partners shall be exempt from paragraph (c)(6)(i) of this section provided the Public Company Accounting Oversight Board conducts a review at least once every three years of each of the audit client engagements that would result in a lack of auditor independence under this paragraph.

(iii) For purposes of paragraph (c)(6)(i) of this section, an audit client that is an investment company registered under section 8 of the Investment Company Act of 1940 (15 U.S.C. 80a-8), does not include an affiliate of the audit client that is an entity in the same investment company complex, as defined in paragraph (f)(14) of this section, except for another registered investment company in the same investment company complex. For purposes of calculating consecutive years of service under paragraph (c)(6)(i) of this section with respect to investment companies in an investment company complex, audits of registered investment companies with different fiscal year-ends that are performed in a continuous 12-month period count as a single consecutive year.

(7) Audit committee administration of the engagement. An accountant is not independent of an issuer (as defined in section 10A(f) of the Securities Exchange Act of 1934 (15 U.S.C. 78j-1(f))), other than an issuer that is an Asset-Backed Issuer as defined in §229.1101 of this chapter, or an investment company registered under section 8 of the Investment Company Act of 1940 (15 U.S.C. 80a-8), other than a unit investment trust as defined by section 4(2) of the Investment Company Act of 1940 (15 U.S.C. 80a-4(2)), unless:

(i) In accordance with Section 10A(i) of the Securities Exchange Act of 1934 (15 U.S.C. 78j-1(i)) either:

(A) Before the accountant is engaged by the issuer or its subsidiaries, or the registered investment company or its subsidiaries, to render audit or non-audit services, the engagement is approved by the issuer's or registered investment company's audit committee; or

(B) The engagement to render the service is entered into pursuant to pre-approval policies and procedures established by the audit committee of the issuer or registered investment company, provided the policies and procedures are detailed as to the particular service and the audit committee is informed of each service and such policies and procedures do not include delegation of the audit committees responsibilities under the Securities Exchange Act of 1934 to management; or

(C) With respect to the provision of services other than audit, review or attest services the pre-approval requirement is waived if:

(1) The aggregate amount of all such services provided constitutes no more than five percent of the total amount of revenues paid by the audit client to its accountant during the fiscal year in which the services are provided;

(2) Such services were not recognized by the issuer or registered investment company at the time of the engagement to be non-audit services; and

(3) Such services are promptly brought to the attention of the audit committee of the issuer or registered investment company and approved prior to the completion of the audit by the audit committee or by one or more members of the audit committee who are members of the board of directors to whom authority to grant such approvals has been delegated by the audit committee.
(ii) A registered investment company's audit committee also must pre-approve its accountant's engagements for non-audit services with the registered investment company's investment adviser (not including a sub-adviser whose role is primarily portfolio management and is sub-contracted or overseen by another investment adviser) and any entity controlling, controlled by, or under common control with the investment adviser that provides ongoing services to the registered investment company in accordance with paragraph (c)(7)(i) of this section, if the engagement relates directly to the operations and financial reporting of the registered investment company, except that with respect to the waiver of the pre-approval requirement under paragraph (c)(7)(i)(C) of this section, the aggregate amount of all services provided constitutes no more than five percent of the total amount of revenues paid to the registered investment company's accountant by the registered investment company, its investment adviser and any entity controlling, controlled by, or under common control with the investment adviser that provides ongoing services to the registered investment company during the fiscal year in which the services are provided that would have to be pre-approved by the registered investment company's audit committee pursuant to this section.

(8) Compensation. An account is not independent of an audit client if, at any point during the audit and professional engagement period, any audit partner earns or receives compensation based on the audit partner procuring engagements with that audit client to provide any products or services other than audit, review or attest services. Any accounting firm with fewer than ten partners and fewer than five audit clients that are issuers (as defined in section 10A(f) of the Securities Exchange Act of 1934 (15 U.S.C. 78j-1(f))) shall be exempt from the requirement stated in the previous sentence.

(d) Quality controls. An accounting firm's independence will not be impaired solely because a covered person in the firm is not independent of an audit client provided:

(1) The covered person did not know of the circumstances giving rise to the lack of independence;

(2) The covered person's lack of independence was corrected as promptly as possible under the relevant circumstances after the covered person or accounting firm became aware of it; and

(3) The accounting firm has a quality control system in place that provides reasonable assurance, taking into account the size and nature of the accounting firm's practice, that the accounting firm and its employees do not lack independence, and that covers at least all employees and associated entities of the accounting firm participating in the engagement, including employees and associated entities located outside of the United States.

(4) For an accounting firm that annually provides audit, review, or attest services to more than 500 companies with a class of securities registered with the Commission under section 12 of the Securities Exchange Act of 1934 (15 U.S.C. 78l), a quality control system will not provide such reasonable assurance unless it has at least the following features:

(i) Written independence policies and procedures;

(ii) With respect to partners and managerial employees, an automated system to identify their investments in securities that might impair the accountant's independence;

(viii) A disciplinary mechanism to ensure compliance with this section.

(e)(1) Transition and grandfathering. Provided the following relationships did not impair the accountant's independence under pre-existing requirements of the Commission, the Independence Standards Board, or the accounting profession in the United States, the existence of the relationship on May 6, 2003 will not be deemed to impair an accountant's independence:

(i) Employment relationships that commenced at the issuer prior to May 6, 2003 as described in paragraph (c)(2)(iii)(B) of this section.

(ii) Compensation earned or received, as described in paragraph (c)(8) of this section during the fiscal year of the accounting firm that includes the effective date of this section.

For the purposes of calculating periods of service under paragraph (c)(6) of this section:

(2) Settling financial arrangements with former professionals. To the extent not required by pre-existing requirements of the Commission, the Independence Standards Board, or the accounting profession in the United States, the requirement in paragraph (c)(2)(iii) of this section to settle financial arrangements with former professionals applies to situations that arise after the effective date of this section.

(iii) For audits of the financial statements of foreign private issuers, the "audit and professional engagement period" does not include periods ended prior to the first day of the last fiscal year before the foreign private issuer first filed, or was required to file, a registration statement or report with the Commission, provided there has been full compliance with home country independence standards in all prior periods covered by any registration statement or report filed with the Commission.

(b) Financial requirements for futures commission merchants and introducing brokers

Notwithstanding any other provisions of this chapter, no person desiring to register as futures commission merchant or as introducing broker shall be so registered unless he meets such minimum financial requirements as the Commission may by regulation prescribe as necessary to insure his meeting his obligation as a registrant, and each person so registered shall at all times continue to meet such prescribed minimum financial requirements: Provided, That such minimum financial requirements will be considered met if the applicant for registration or registrant is a member of a contract market or derivatives transaction execution facility and conforms to minimum financial standards and related reporting requirements set by such contract market or derivatives transaction execution facility in its bylaws, rules, regulations, or resolutions and approved by the Commission as adequate to effectuate the purposes of this subsection.

(c) Risk assessment for holding company systems

(1) As used in this subsection:
(i) The term "affiliated person" means any person directly or indirectly controlling, controlled by, or under common control with a futures commission merchant, as the Commission, by rule or regulation, may determine will effectuate the purposes of this subsection.

(ii) The term "Federal banking agency" shall have the same meaning as the term "appropriate Federal banking agency" in section 1813(q) of title 12.

(2)(A) Each registered futures commission merchant shall obtain such information and make and keep such records as the Commission, by rule or regulation, prescribes concerning the registered futures commission merchant's policies, procedures, or systems for monitoring and controlling financial and operational risks to it resulting from the activities of any of its affiliated persons, other than a natural person.

(B) The records required under subparagraph (A) shall describe, in the aggregate, each of the futures and other financial activities conducted by, and the customary sources of capital and funding of, those of its affiliated persons whose business activities are reasonably likely to have a material impact on the financial or operational condition of the futures commission merchant, including its adjusted net capital, its liquidity, or its ability to conduct or finance its operations.

(C) The Commission, by rule or regulation, may require summary reports of such information to be filed by the futures commission merchant with the Commission no more frequently than quarterly.

(3)(A), If, as a result of adverse market conditions or based on reports provided to the Commission pursuant to paragraph (2) or other available information, the Commission reasonably concludes that the Commission has concerns regarding the financial or operational condition of any registered futures commission merchant, the Commission may require the futures commission merchant to make reports concerning the futures and other financial activities of any of such person's affiliated persons, other than a natural person, whose business activities are reasonably likely to have a material impact on the financial or operational condition of the futures commission merchant.

(B) The Commission, in requiring reports pursuant to this paragraph, shall specify the information required, the period for which it is required, the time and date on which the information must be furnished, and whether the information is to be furnished directly to the Commission or to a contract market or derivatives transaction execution facility or other self-regulatory organization with primary responsibility for examining the registered futures commission merchant's financial and operational condition.

(4)(A) in developing and implementing reporting requirements pursuant to paragraph (2) with respect to affiliated persons subject to examination by or reporting requirements of a Federal banking agency, the Commission shall consult with and consider the views of each such Federal banking agency. If a Federal banking agency comments in writing on a proposed rule of the Commission under this subsection that has been published for comment, the Commission shall respond in writing to the written comment before adopting the proposed rule. The Commission shall, at the request of the Federal banking agency, publish the comment and response in the Federal Register at the time of publishing the adopted rule.

(B)(i) Except as provided in clause (ii), a registered futures commission merchant shall be considered to have complied with a recordkeeping or reporting requirement adopted pursuant to paragraph (2) concerning an affiliated person that is subject to examination by, or reporting requirements of, a Federal banking agency if the futures commission merchant utilizes for the recordkeeping or reporting requirement copies of reports filed by the affiliated person with the Federal banking agency pursuant to section 161 of title 12, section 9 of the Federal Reserve Act (12 U.S.C. 321 et seq.), section 1817(a) of title 12, section 1467a(b) of title 12, or section 1844 of title 12.

(ii) The Commission may, by rule adopted pursuant to paragraph (2), require any futures commission merchant filing the reports with the Commission to obtain, maintain, or report supplemental information if the Commission makes an explicit finding that the supplemental
information is necessary to inform the Commission regarding potential risks to the futures commission merchant. Prior to requiring any such supplemental information, the Commission shall first request the Federal banking agency to expand its reporting requirements to include the information.

(5) Prior to making a request pursuant to paragraph (3) for information with respect to an affiliated person that is subject to examination by or reporting requirements of a Federal banking agency, the Commission shall—

(A) notify the agency of the information required with respect to the affiliated person; and
(B) consult with the agency to determine whether the information required is available from the agency and for other purposes, unless the Commission determines that any delay resulting from the consultation would be inconsistent with ensuring the financial and operational condition of the futures commission merchant or the stability or integrity of the futures markets.

(6) Nothing in this subsection shall be construed to permit the Commission to require any futures commission merchant to obtain, maintain, or furnish any examination report of any Federal banking agency or any supervisory recommendations or analysis contained in the report.

(7) No information provided to or obtained by the Commission from any Federal banking agency pursuant to a request under paragraph (5) regarding any affiliated person that is subject to examination by or reporting requirements of a Federal banking agency may be disclosed to any other person (other than as provided in section 12 of this title or section 12a(6) of this title), without the prior written approval of the Federal banking agency.

(8) The Commission shall notify a Federal banking agency of any concerns of the Commission regarding significant financial or operational risks resulting from the activities of any futures commission merchant to any affiliated person thereof that is subject to examination by or reporting requirements of the Federal banking agency.

(9) The Commission, by rule, regulation, or order, may exempt any person or class of persons under such terms and conditions and for such periods as the Commission shall provide in the rule, regulation, or order, from this subsection and the rules and regulations issued under this subsection. In granting the exemption, the Commission shall consider, among other factors—

Except as specifically provided in section 12 of this title and notwithstanding any other provision of law, the Commission shall not be compelled to disclose any information required to be reported under this subsection, or any information supplied to the Commission by any domestic or foreign regulatory agency that relates to the financial or operational condition of any affiliated person of a registered futures commission merchant.
